BILLY AND BETTY DECIDE ON BUYING A BUNGALOW FROM CREEL & GREER AND NOT HAVE WORRY OF BUILDING

Nest for New Arrivals Is a Beautiful Home, Well Located and Was Bought at a Low Price

(Copyright 1913, by J. H. Appleby.)

Busy days have begun for Billy and Betty, and the Baby is not seeing as much of the father and mother as formerly. But Baby-whether a boy or a girlmust be content, for Billy and Betty are moving to their home.

Billy and Betty were certainly happy this morning when The Herald man called. "Why are you so happy?" asked The Herald man, and they both answered at once, "We've bought a beautiful little home, ready built, and all that worry of seeing to the building of a home is rid of." "How come you to change your minds so sudden and buy a home ready built?" asked The Herald man. "It was like this," said Billy; "you know we bought our lot from the real estate firm of Creel & Greer, at 421 Mesa Ave., fully intending to build, so Betty and I were in to see them yesterday, and they surprised us by saying, 'We can sell your lots for cash and make You \$500, and we have just listed the best buy in El Paso, a fine little home-bungalow of 5 rooms, fine location-neighborhood the best. You can put your lot money in on this home and pay the balance like rent." "Now," said Mr. Creel, "why do you want to worry yourselves to death building when you can buy this home ready built for \$500 less than you can build the house for today?" "That sounds good. Betty and I know now that we can trust your judgment on El Paso real estate, so we will take the price you have offered on the lots, and you can draw up the deed for the house." "That's how Betty and I made this house deal-and it was all done in about

the length of time we have been talking." The first thing Billy and Betty did this morning was to go to see about having some repairs and changes made on their home. In their usual way, they first inquired of responsible people as to the standing of the various firms in El Paso, and with a list of the best men and firms in town, they started out.—Advertisement.

(From Woman's Tribune.) A day's motoring, an afternoon on the tennis ground or golf links, a sunbath on the beach or exposure on a sea trip, often brings on a deep ten or vivid crimson or, more preplexing still, a vigorous crop of freckles. A very necessary thing then is mercelized wax, which removes tan, redness or freckles quite easily. It literally peels off the affected skin—just a little at a time, so there's no hurt or injury. As the skin comes off in almost invisible flaky particles, no trace of the treatment is shown. Get an ounce of mercelized wax at your druggist's and use this nightly as you would cold cream, washing it off mornings. In a week or so you will have an entirely new skin, beautifully clear, transparent and of a most delicate whiteness. Wrinkles, so apt to form at this season, may be easily and quickly removed by bathing the face in a solution of powdered saxolite, 1 oz., dissolved in witch hazel, 1-2 pt. This is not only a valuable astringent, but has a beneficial tonic effect also.—Advertisement. ans a Dene. Advertisement.
